SPECIAL PROGRAMS

EARTH SCIENCES (Geology 100)

During the first term (June 7-July 10), a Survey of the Earth Sciences is offered to academically talented high school students who have completed the Junior year. Subjects stressed are geology, meteorology, oceanography, and astronomy.

Three to four lecture-laboratory sessions and one field trip per week. Six hours credit. Course taught by Baxter L. Smith. Tuition $110. For information, write Dr. Richard R. Priddy, Chairman, Department of Geology, Millsaps College.

MUSIC COURSES

Summer study in Voice may be arranged with Mr. Ayers and Mr. Holt. Organ study may be arranged with Mr. Kilmer.

WORKSHOP IN ART

Art 301-302. Painting and Drawing. Oil and water color. Materials and properties of painting and drawing, methodis of presentation, composition problems, and a survey of the evolution of painting and drawing. 3 hours credit. Mr. Rowell. Classes meet three afternoons a week 1:30-3:30 Tuesday, Wednesday, Thursday in AC Rm. 316. Laboratory fee, $10. First term only.

FRESHMAN COURSES

High school graduates planning to enter Millsaps or any other college may complete a significant portion of the standard freshman-year work.

Among the courses particularly designed for freshmen are:

Sciences: Fundamentals of Biology, General Chemistry, Physical and Historical Geology, General Physics.

Mathematics: Foundations of Mathematics, Pre-Calculus Mathematics.

English: Freshman Composition.

Languages: Beginning and Intermediate courses in French, German and Spanish.

GULF COAST RESEARCH LABORATORY

Two Millsaps geology courses are offered at Gulf Coast Research Laboratory, Ocean Springs, Mississippi:

Geology G361. Physical Marine Geology. The physical process at work on the shores and in the shallows of Mississippi Sound; taught by Ervin G. Otvos. Three semester hours credit. July 12-July 30.

Geology G362. Chemical Marine Geology. The chemistry of the waters and the geochemistry of the bottoms of Mississippi Sound; taught by Dr. J. O. Snowden, Jr. Three semester hours credit. August 2-August 20.

For other summer programs at the Gulf Coast Laboratory, write Dr. Richard R. Priddy, Chairman, Department of Geology, Millsaps College.

MILLSAPS COLLEGE
JACKSON, MISSISSIPPI 39210

VISITING FACULTY

DONALD P. IRISH, Ph.D.
Chairman, Department of Sociology and Anthropology, Hamline University

PATRICIA GALLOWAY, M.A.
Ph.D. Candidate, University of North Carolina

WILLIAM D. HORAN, Ph.D.
Chairman, Language Department, St. Mary's Dominican College

MRS. SANDRA KEYS, M.A.T.

JAMES M. MARBLE, M.Ed.
Ed.D. Candidate, Mississippi State University

SAM J. NICHOLAS, JR., M.B.A., LL.B.
Director, Mississippi Industrial and Special Services, Inc.

BAXTER L. SMITH, M.Ed.
Sun Oil Company, 1936-1966

MRS. PATRICIA SWEENEY, Ph.D.
Tougaloo College

JOE WALKER, M.A.
Principal, Forest Hill High School

LIBRARY HOURS

The Millsaps-Wilson Library will be open on the following schedule:

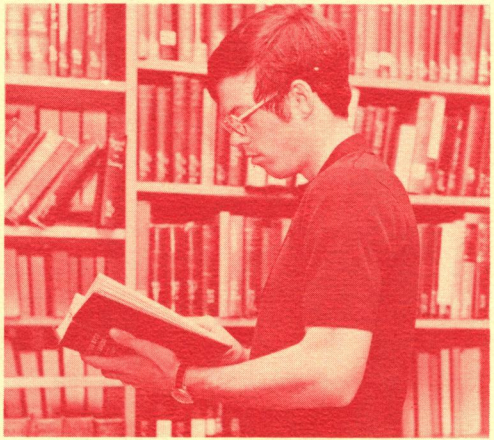
Monday-Thursday	7:45 AM to 9:00 PM
Friday	9:00 AM to 1:00 PM
Saturday	9:00 AM to 1:00 PM
Sunday	2:00 PM to 5:00 PM

Millsaps College Summer School Bulletin

SUMMER SESSION 1971

First Term June 7 - July 10

Second Term July 12 - August 14



MILLSAPS COLLEGE

SUMMER SESSION 1971

FIRST TERM **JUNE 7 - JULY 10**

SECOND TERM **JULY 12 - AUG. 14**

REGISTRATION

Application blanks may be obtained by writing to Office of Admissions, Millsaps College, Jackson, Mississippi, 39210. Students may pre-register anytime up to and including noon, Saturday, June 5th.

High School graduates attending for the first time must supply a complete transcript.

College students entering Millsaps for the summer terms only must provide a statement of eligibility from the dean or registrar of the last school attended.

THE REGULAR SESSION

Students interested in attending during the regular session should contact the Director of Admissions, Millsaps College, Jackson, Mississippi, 39210. The fall term will open August 29, 1971.

WHY SUMMER SCHOOL?

The Millsaps Summer School is designed to serve —

- High school graduates who enter college this fall
- Regular students working toward a degree at Millsaps College
- Visiting college students who desire to earn credits for transfer to other institutions
- Teachers who need courses for certification requirements
- College students and others who desire work in specialized areas

AIR-CONDITIONING

All instructional and living facilities on the campus are fully air-conditioned. Of special note is Millsaps' new "air-conditioned campus", consisting of Murrah Hall, the Academic Complex and the Library which are now joined as a single operating unit, with indoor connections between them.

#Classes Meet from 10:50 to 12:50
**Intermediate courses in foreign languages open to freshmen who have had two years in the same language
LABORATORY SESSIONS, WHERE REQUIRED, WILL BE ARRANGED AT THE FIRST MEETING OF THE CLASS.

Geology 100, Earth Sciences (6) meets 8:00 - 11 a.m. four days a week and 7:30 a.m. - 12:00 noon for field trip one day a week. Baxter L. Smith, Instructor. SH-056. First term only.

Art 301-302, Painting and Drawing (3) meets 1:30 - 3:30 Tuesday, Wednesday, Thursday. Mr. William Rowell, Instructor. AC-316. First term only.

MILLSAPS COLLEGE SUMMER SESSION 1971

GENERAL INFORMATION

Schedule of Classes and Examinations

Regular classes meet every weekday morning. Laboratory sessions, where applicable, are scheduled chiefly for afternoons.

During the first term, classes will meet one Saturday: June 12. Final examinations will be given Saturday, July 10.

During the second term, classes will meet one Saturday: July 17. Final examinations will be given Saturday, August 14.

Course Offerings

All courses listed will be offered, but the College reserves the right to withdraw a course if there is insufficient registration or to change instructors if necessary.

Class Load

The maximum load a student may take is seven semester hours in one term, fourteen semester hours in two terms.

Transferring Credits

To transfer credit earned during the summer, a written request must be filed with the registrar of Millsaps College.

Cooperative Program With Belhaven College

Students attending the Millsaps College Summer School will be allowed with the permission of the Dean to enroll in courses offered by Belhaven Summer School. The courses will be included in your Millsaps enrollment, thereby eliminating the necessity of sending additional records to the second college. The courses and grades will be listed on your Millsaps record.

EXPENSES

Tuition per five-week term

Five semester hours or less, each hour	$ 30.00
Six or seven semester hours	$180.00

Laboratory fees, per term

Art 301 - 302	$ 10.00
Biology	$ 10.00
Chemistry	$ 10.00
Geology	$ 10.00
Modern Languages	$ 5.00
Physical Education 201, 202, 221, 222	$ 2.00
Physics	$ 10.00

Room and Meals, per five-week term

Dormitory Room	$ 37.50
Meals, optional	$ 75.00

Housing and Board

Adequate college housing is available for both men and women. Dormitories are air-conditioned. Unless written permission has been obtained from the Office of Student Personnel, undergraduate students not living at home are expected to live on campus. No freshman men are permitted to live in fraternity houses.

Meals are served in the College food service areas. The meals plan, which is optional, provides economical, regular meals from Monday breakfast through Friday lunch at $75.00 per term.

Scholarships and Loans

During the summer session no scholarships are available, and no reductions in tuition are made. National Defense Student Loans are available to students enrolled full time in the spring or fall semester of 1971.
